TOUR / CRUISE CANCELLATION

Beyond Travel and its principals reserve the right to cancel any tour up to 4 weeks before departure. Should a tour be cancelled, alternative arrangements of as close a standard as practicable will be recommended:- however if a suitable alternative is not found, a full refund will be offered. Should you accept an alternative that is at a cheaper price, we will refund the difference. Once a suitable alternative has been offered or the fare has been refunded, Beyond Travel accept no further liability.

1a: GUARANTEED DEPARTURE TOUR/CRUISE – In the unlikely event that a >>Guaranteed Departures<< tour must be cancelled for reasons beyond the operator's control, alternative arrangements will be offered of similar standard or a full refund of the tour/cruise.

1b: GUARANTEED CRUISES ON SMALL SHIPS BEING CONSTRUCTED FOR THE 2018 SEASON –

Where a cruise is offered on a vessel currently under construction for the 2018 season it is the intention of Beyond Travel and its principals to supply the cruise on the vessel as advertised. In the unlikely event that the cruise is cancelled due to issues surrounding the construction of the new vessel or otherwise out of the reasonable control of Beyond Travel, every passenger who has paid either a deposit or full payment will be offered a suitable alternative or Beyond Travel shall refund the full amount of the fare received.

SHIP, HOTEL & ITINERARY CHANGES

Beyond Travel and its principals will do everything possible to make sure your holiday goes according to plan; however, sometimes an unforeseen event occurs to cause changes to itinerary, hotel or vessel. Beyond Travel will notify you on these changes as soon as possible.

MOORING

Many of Croatia's historic harbours, especially on the islands, are small and cruising in Croatia has grown in popularity over the past ten years. As such it is not unusual for two or more ships to moor alongside each other, particularly in busy ports

where mooring spaces are at a premium. On occasion, your cruise ship may be moored alongside a number of other vessels when embarking or disembarking. The view from your cabin window may also be blocked when there is another ship alongside.

TOUR CONDITIONS & SPECIAL REQUESTS

The services we provide are suitable for almost anyone and age is seldom an issue. An eagerness to be involved and a positive approach to travel will result in a satisfying and rewarding holiday. It is however your responsibility to ensure that you have a suitable level of fitness to undertake your chosen travel itinerary and you must inform Beyond Travel of any medical condition that may prevent your full participation. For the enjoyment and safety of our passengers, Beyond Travel and its principals reserve the right to substitute hotels and amend itineraries if necessary to do so. If a re-routing of a tour is required; Beyond Travel will cover any additional costs associated with those changes within the dates of the particular tour. Any other changes (e.g. airline changes) which result in additional hotel nights, meals or other services are the responsibility of the passenger. Beyond Travel should be advised at time of booking of any dietary requirements or special requests, such as bedding preferences, non-smoking rooms, etc. Whilst we can not guarantee, we will place those requests and endeavour to have the supplier honour these requests when possible.

DOCUMENTATION

Documentation is normally issued within 4 weeks of your departure from Australia or New Zealand. Please note that seat reservations on most rail sectors are generally not available until 45-60 days prior to date of travel.

PASSPORTS & VISAS

Australian and New Zealand citizens must hold a current passport which must be valid for at least six months after your departure. It is the responsibility of the individual to obtain the required visas prior to departure. Failure to do so which results in the need to cancel travel arrangements will incur normal cancellation penalties.

TRAVEL INSURANCE

Cancellation and refund conditions are strictly enforced; therefore, we strongly recommend that you carry comprehensive travel insurance which covers cancellation due to unforeseen circumstances or those beyond your control. Ask your travel agent or Beyond Travel consultant for a choice of policies.

RESPONSIBILITY

Beyond Travel Group Pty Ltd, trading as Beyond Travel, is an intermediary and acts only in the capacity of agent for the passengers in all matters of transportation, tour and cruise operations and other services. The issuance and acceptance of receipts, tickets, or vouchers shall be deemed consent to the above conditions. If Beyond Travel's services are not supplied to a consumer, its liability is limited to the re-supply of the services or payment of the cost of having those services resupplied.
